Provided that where persons recruited initially on a temporary basis are confirmed subsequently in an order different from the order of merit indicated at the time of their appointment, seniority shall follow the orders of confirmation and not the original order of merit:

Provided further that a person who does not join within the prescribed period shall lose his/her seniority according to the selection and shall rank in the seniority list next to the person who joined earlier.

Provided further that he/she will not lose his/her seniority if the fact of his/her joining latter was caused by circumstances beyond his/her control and for the reasons recorded in writing, the appointing authority is satisfied that this was so.

Promotees.—(a) The relative seniority of persons promoted to the various grades in the service shall be determined in the order of the selection for such promotions:

(b) Provided that where persons promoted initially on a temporary basis are confirmed subsequently in an order different from the order of merit indicated at the time of their promotion, seniority shall follow the order of confirmation and not the original order of merit.

(c) Where promotions to a grade are made from more than one grades, the eligible persons shall be arranged in separate lists in the order of their relative seniority in their respective grades. Thereafter, the Departmental Promotion Committee shall select persons for promotion from each list upto the prescribed quota and arrange all the candidates selected from different lists in a consolidated order of merit which will determine the seniority of the persons on promotion to the higher grade.

Relative seniority of direct recruits and promotees.—The relative seniority of direct recruits and of promotees shall be determined according to the rotation of vacancies between direct recruits and promotees which shall be based on the quotas of vacancies reserved for direct recruitment and promotion respectively in the Recruitment Rules.

Explanatory memorandum.—Where promotions are made on the basis of selection by Departmental Promotion Committee, the seniority of such promotees shall be in the order in which they are recommended for such promotion by the Committee. Where promotions are made on the basis of seniority subject to the rejection of the unfit, the seniority of persons considered first for promotion, at the same time shall be the same as the relative seniority in the lower grade from which they are promoted. Where, however, a person is considered as unfit for promotion and is superseded by a Junior, such person shall not if he is subsequently found suitable and promoted take seniority in the higher grade over the junior persons who had superseded him or her.

Roster should be maintained based on the reservation for direct recruitment and promotion in the Recruitment Rules. Appointments should be made in accordance with this roster and seniority determined accordingly.

Illustration.—Where 75% of the vacancies are reserved for promotion and 25% for direct recruitment, such direct recruit shall be ranked in seniority below 3 promotees.

Where the quotas are 50% each, every direct recruit shall be ranked below promotee. If for any reason a direct recruit of a promotee ceases to hold the appointment in the grade, the seniority list shall not be re-arranged merely for the purpose of ensuring the proportion referred to above.

13. Leave and pension etc.—In respect of leave, pension and other (cognate) matters not specifically mentioned in these rules, the members of the service shall be governed by the Rules, prescribed by Himachal Pradesh Government as amended from time to time unless one has already exercised option otherwise.

14. Training and examination etc.—The member of service shall have to qualify examinations or to undergo training as may be prescribed by the Government from time to time for any class of posts.

15. Other conditions of services.—In respect of conditions of services other than those covered by these rules, members of the service shall be governed by the condition of service under the rules, framed and the orders issued by the Government of Himachal Pradesh from time to time.

16. Relaxation.—Where the Government is of the opinion that in the case of existing employees before the promulgation of the rules it is necessary or expedient to do, it may by order, for reasons to be recorded in writing relax any of the provisions of these rules with respect to any class or category of person/post.

17. Savings.—Promotions and appointments made before the commencement of these rules shall not be affected on the ground that these were not in accordance with these rules.
